2	Everything was perfect. I want to thank all the people involved (from the Dean to the students) for their hospitality.
17	Thank you for the excellently organized congress, I would like to express my great satisfaction with our meeting last week in Foca. You were excellent hosts!
7	Perfect conference! Thanks a lot.
8	Excellent organization
10	No suggestion, everything was completely fantastic and professional.
11	The whole program of the final dissemination conference and consortium meeting of the project was very well planned and realized, leaving a really positive impression. The project is coming to a successful conclusion, that will also leave open the door to possible future collaboration with most of the existing project consortium that has shown remarkable team work.
12	All the best.
19	As an invited external participant of the consortium Project (University of Évora, Portugal) I believe that the opportunity provided to be part of the conference was a great opportunity to observe and understand the importance of an academic consortium, the different phases of a project Co-funded by the European Union, and the final evaluation. I would like to highlight the high quality of the conferences. The meeting was an important occasion for establishing partnerships and networking. Many thanks for your excellent welcome.
