➤ **Agenda of Institutional training**

AGENDA

15 OCTOBER AND 9 DECEMBER 2024

10:00 – 10:30	Registration of participants	
10:30 – 10:35	Welcome speech	Prof. dr Ivan Cavar , dean of the School of Medicine
10:35 – 11:35	Internationalization at home	Danijel Pravdic Coordinator School of Medicine
11:35 – 12:10	Medical studies in English challenges	Ivan Merdžo Coordinator for the Medical studies in English, School of Medicine Mostar
12:10 – 13:00	Safety and security protocols	Danijel Pravdić Coordinator School of Medicine
13:00 – 13:30	Questions and conclusions	All participants

➤ **Minutes**

The aim of the first institutional training was to train internal stakeholders in the organization of guidelines, protocols and procedures for international students, application rules of social and cultural integration, student support services, marketing trainings, virtual and digital innovation in conducting teaching process and interactions, social integration strategies and strategies for IaH.

The attendees were presented with a BIOSINT project tasks by Danijel Pravdić. Then, student representative, presented and explained the existing procedures for international students, existing support, promotion, social integration, and student exchange that the BIOSINT project team made possible for students of the School of Medicine.

Danijel Pravdić, project coordinator, presented security, safety and healthy protocols for all incomers and presented possibilities offered by the School of Medicine for all incomers, staff and students.

In total there were 103 participants (15 on 9th of December and 88 on the 15th of October).
