AGENDA

Tuesday 08 Oct 2024 - Arrival of the participants

Wednesday 09 Oct 2024

09:00 – 09:30	Registration	
09:30 – 09:40	Welcome speech	Prof. dr. Tonin Gjuraj (Rector)
09:40 – 10:00	Presentation of the University of Shkodra, Department of Clinical and Para-clinical Subjects	Dr. Julian Kraja/Erard Curcija
10:00 – 10:20	Report of BIOSINT achievement overview of the submitted Periodic report	UniKg
10:20 – 10:40	WP 4 Deliverables, tasks and activities	UES
10:40 – 11:00	WP 3 Tasks, deliverables, milestones	SUM
11:00 – 11:30	Coffee break	
11:30 – 12:00	"How to internationalize curriculum – Guide for biomedical education and educators	KU Leuven
12:00 – 12:30	"How to internationalize curriculum – Guide for biomedical education and educators	UMF
12:30 – 13:00	How to internationalize curriculum – Guide for biomedical education and educators	UES
13:00 – 14:30	Lunch break	
14:30 – 14:45	Selection of existing courses for IaH - criteria, technology and timeline	UES
14:45 – 15:00	Updating of existing, selected courses with topics related to intercultural and international competences - criteria, technology and timeline	UES
15:00 – 15:15	Course set model for a WB partner	UES
15:15 – 15:30	Take-home message (synopsis)	
15:30 – 16:00	Discussion	
19:00	Dinner

Thursday 10 Oct 2024

09:00 – 09:30	Registration	
09:30 – 09:50	Current status and forthcoming issues at UES	UES
09:50 – 10:10	Current status and forthcoming issues at SUM	SUM
10.10 – 10:30	Current status and forthcoming issues at UNTZ	UNTZ
10.30 – 10:50	Current status and forthcoming issues at UoM	UoM
10.50 – 11:10	Current status and forthcoming issues at USH	USH
11:10 – 11:40	Coffee break	
11:40 – 12:00	Current status and forthcoming issues at UMT	UMT
12:00 – 12:30	The schedule of and roadmap to developing of new virtual courses	UniKg, UMF, UES
12:30 – 13:00	The models for connection with international students and staff (COIL/CLIL/TILT/EMI)	UES
13:00 – 14:00	Lunch	
14:00 – 14:45	PCB/EB meeting	All partners
14:45 - 15:45	Visit to Nursing Department and labs	All partners
16:00	City tour	All partners

Friday 11 Oct 2024

Departure of participants

➤ Meeting objectives

The main objectives of this training 4.2 Workshop on internationalization of the curricula which was attended both onsite and virtually, were:

- To get to know each other and the expertise at Departments of Clinical and Para-clinical Subjects, University of Shkodra “Luigj Gurakuqi” for Internationalization at home (IaH)
- Current status of Internationalization at partner universities
- Better understanding and discussion of the project objectives and current status of internationalization at home at partner universities
- How to internationalize curriculum – Guide for biomedical education and educators.
- Selection of existing courses for IaH - criteria, technology and timeline
- Updating of existing, selected courses with topics related to intercultural and international competences - criteria, technology and timeline
- Course set model for a WB partner
- share our knowledge

The specific objectives of the meeting were the discussion on:

- WP 4 Deliverables, tasks and activities
- WP 3 Tasks, deliverables, milestones
- 4.2 Workshop on internationalization of the curricula
- How to internationalize curriculum – Guide for biomedical education and educators.

➤ Meeting Notes

➤ Welcome Speech

Prof. Dr. Blerat Dragusha, Vice Rector for Scientific Research and Internationalisation of Shkodra University gave a welcome speech to all partners. She also explained importance of this project for University of Shkodra in the framework of the Internationalisation process of Shkodra University.

Dr. Julian Kraja and Mr. Erard Curcija and gave a brief presentation about Clinical and Para-clinical Subjects. The description was about the study programs offered, challenges and

improvements that should be done at these Department on the Internationalization at home (IaH)

The meeting continued with the presentation on "How to internationalize curriculum – Guide for biomedical education and educators" done by Mr. Geert De Lepeleer from Ku Leuven Gent and Ass. prof. dr Nenad Markovic from University of East Sarajevo on site.

Prof. Adrian Sturza from UMF Timisoara Biosint Team also did a presentation on "How to internationalize curriculum – Guide for biomedical education and educators". He made the presentation on-line as he could not participate in the meeting in Shkodra.

PhD Danijel Pravdic, the University of Mostar School of Medicine presented the WP3 tasks, deliverables, milestones and Current status and forthcoming issues at SUM. This presentation was made online by the professor.

The Report of BIOSINT achievement and an overview of the submitted Periodic report was done by Ass. Bozidar Pindovic, representative of the Kragujevac of University,

Prof dr Ljiljana Tasic, from the Faculty of Medical Science, University of Kragujevac (Serbia) presented her topic "Selection of existing courses for IaH - criteria, technology and timeline". This presentation was made on-line by the professor and the attendees could get from her presentation the best experiences.

After the presentation of Prof dr Ljiljana Tasic, the participants were divided into 4 groups and Ass. prof. dr Nenad Markovic from University of East Sarajevo lead a working session on the Selection of existing courses for IaH - criteria, technology and timeline Updating of existing, selected courses with topics related to intercultural and international competences - criteria, technology and timeline.

The second day continued with the presentation of result of the group working which started on the first day of the meeting. This session was integrated with the current status and forthcoming issues at each partner University. Representative s of each University had the opportunity to share with their colleagues all needed information on the selection of existing courses for IaH.

Ass. prof. dr Nenad Markovic from UES did a presentation on The models for connection with international students and staff (COIL/CLIL/TILT/EMI). This was a very interesting presentation and participants had the chance to learn and make questions on this topic.
